Happy New Year!

We are pleased to report that close to 90% of the owners of Little Tamarack Lake District properties have signed their names on the petition to form a Lake District within the Town of Conover.

The petition will be submitted to the Township tomorrow, January 2nd. The Town Board will then hold a required Hearing within 30 days, after which it has 6 months to deny or adopt the Lake District. The Township has already indicated that it favors the formation of a Lake District, so we expect the process will be expedited.

This is a great first step in the process to try to save our Flowage, and a great way to start the New Year. Thanks to all who overwhelmingly supported the petition effort, and who believe that we can eventually succeed.
