Dear Property Owners:

The Lake District received **fantastic news** this afternoon from the WDNR. **We will receive a grant** to cover one-half of the expense in repairing our dam and removing the culvert. In fact, our grant application received the **top score** in the state and we are at the top of the approved grant priority list. The list is now available for viewing at the DNR website "Wisconsin Department of Natural Resources Municipal Dam Grant Program".

The Lake District Board will, as scheduled, be meeting tomorrow, April 2nd at 9 a.m. at the Conover Town Center to choose our contractor for the project and discuss other business listed on the Agenda. **All are welcome.**
